**211** provides expert, caring help --  
No matter the situation, the specialists at  
**211** listen, we identify underlying problems,  
and connect people in need with resources  
and services in their community that  
improve their lives.

Examples of referred resources:

- rent assistance • food banks • affordable housing • health care • dental clinics
- child care • transportation • elder care • job training

**GAME CHANGER**

We use "Game Changers" and "Winter Warmth" funds in partnership with local nonprofits and churches to fill gaps & "finish the job" of helping someone in need.  
Last year we helped **422 families**; 153 with birth certificates or ID; 8 with vital house repairs; 54 with bus passes; 54 with rent assistance and 86 with utility assistance.

# HELP OUR YOUTH CHANGE THE WORLD

## #YOUTHSUCCESS

#YouthSUCCESS Initiative is a collective impact project that brings together all segments of our community to work on goals and objectives that will improve #YouthSUCCESS for our young people, because their success strengthens our region and our country.

What can you do?

--Volunteer to support youth activities of all kinds. Volunteer with schools, sports leagues, churches, scouting, mentoring, etc.

--Advocate for resources for children & youth. Tell your representatives that youth facilities, services, & programs are needed in OUR community.

--Give to support our #YouthSUCCESS Initiative.

Covid-19  
Recovery  
Fund

To meet the growing needs of families, the Board of Directors for UWENM created a Covid19 Recovery Fund for Curry & Roosevelt Counties. Started with \$15,000 in donations from NM Bank & Trust and Pattern Energy, the Covid19 Fund allowed UWENM to support the vital work of its partner agencies as well as directly assist local families and individuals affected by the pandemics disruptions of jobs, income and access to services.

By the end of July 2020, UWENM helped 200 families with bills and rent, given numerous mini-grants to local nonprofits, donated many cases of needed items (masks, sanitizer, gloves, toilet paper, etc.) to local organizations and churches. UWENM continues to offer "extra" help during the Covid19 while funds are available.
